

MTNZ Ian Carr Memorial Multi C Award

Presenter: Catherine Carr

Citation – John Antony

Third Theatre Whakatane – The Sound Of Music

The tall narrow format works well in this example of a well designed and functional programme.

Second Levin Performing Arts – The Full Monty

The used of the yellow background design that increases in size through the programme is effective and the type is also easy on the eye.

First Variety Theatre Ashburton – Les Miserables

The design and clean lines follow through this programme with the pictures clear and the duotones reflective of the background used.

MTNZ – Frank Terry Memorial Single Sheet Award

Presenter: John MacGibbon, Life Member

Second Fine Thyme Theatre Company Cromwell – Grease is the word

The shocking pink cover in the shape of a record themes this as a fun sing along musical. Having the fold in the middle is an effective design component. Type is easy to read.

First Dunedin Operatic – Lights on Broadway

Although this is a single sheet programme the three-panel sheet gives plenty of scope for design and they have made good use of this space.

MTNZ – Jack Roderick Multi D Award

Presenter: Ray Spence, Life Member and long serving Zone Two rep

Citation – Ngaire Holmes, current Zone Two Rep

Second South Otago Theatrical Society – Dad's Army

The bold colours on the front direct you to open the cover to reveal a well designed black and white inside with the pictures in black. Clear type and easy to read.

First Variety Theatre Ashburton – Allo Allo

I like the clever design of the eye on the front and also the use of the black insert that blends with the black on the inside of the cover. The notice board re mobile phones is an excellent design feature.

MTNZ Website Competition

Presenter: Kevin Murphy (Life Member)

Judge: Hayden Donnelly of 72DPI Pukekohe

Winner: Wellington Musical Theatre dedicated Miss Saigon website

Very graphical and presented in an easy to use, attractive format. Navigation was easy to use and website built using the latest web standards and techniques. The formatting and display of content is very superior to any other entry.

Second: Dunedin Operatic Society

Very graphical and presented in an easy to use, attractive format. Navigation was easy to use and website built using the latest web standards and techniques. The website validated very well with valid xhtml on the pages I validated.
